

Allgemeine Montageanleitung - CE Kennzeichnungen -

Inhaltsverzeichnis

- 1.1 CE Kennzeichnung zu LE/DoP-Nr. S020 BauPvO (EU Nr. 305/2011) EN 179 (Serie FO6000, EK-Schlösser Serie FO7000)
1.2 CE Kennzeichnung zu LE/DoP-Nr. S022 BauPvO (EU Nr. 305/2011) EN 1125 (Serie FO6000, EK-Schlösser Serie FO7000)
2.1 CE Kennzeichnung zu LE/DoP-Nr. S021 BauPvO (EU Nr. 305/2011) EN 179 (Serie FO6000)
2.2 CE Kennzeichnung zu LE/DoP-Nr. S021 BauPvO (EU Nr. 305/2011) EN 1125 (Serie FO6000)
3.1 CE Kennzeichnung zu LE/DoP-Nr. S024 BauPvO (EU Nr. 305/2011) EN 12209 (Serie FO6000, FO633N ff.)
4.1 CE Kennzeichnung zu LE/DoP-Nr. S023 BauPvO (EU Nr. 305/2011) EN 14846 (EK-Schlösser Serie FO7000)
5.1 CE Kennzeichnung zu LE/DoP-Nr. S022 BauPvO (EU Nr. 305/2011) EN 179 (Gegenkästen & Umlenkschlösser Serie FO6000, FO7000)
5.2 CE Kennzeichnung zu LE/DoP-Nr. S022 BauPvO (EU Nr. 305/2011) EN 1125 (Gegenkästen & Umlenkschlösser Serie FO6000, FO7000)

1.1 CE Kennzeichnung zu LE/DoP-Nr. S020 BauPvO (EU Nr. 305/2011) EN 179 (Serie FO6000, EK-Schlösser Serie FO7000)

Table with CE logo, EN 179:2008 title, Kenncode 1, and detailed technical specifications for fire and rescue doors.

1.2 CE Kennzeichnung zu LE/DoP-Nr. S020 BauPvO (EU Nr. 305/2011) EN 1125 (Serie FO6000, EK-Schlösser Serie FO7000)

Table with CE logo, EN 1125:2008 title, Kenncode 2, and detailed technical specifications for fire and rescue doors.

2.1 CE Kennzeichnung zu LE/DoP-Nr. S021 BauPvO (EU Nr. 305/2011) EN 179 (Serie FO6000)

Table with CE logo, EN 179:2008 title, Kenncode 1, and detailed technical specifications for fire and rescue doors.

2.2 CE Kennzeichnung zu LE/DoP-Nr. S021 BauPvO (EU Nr. 305/2011) EN 1125 (Serie FO6000)

Table with CE logo, EN 1125:2008 title, Kenncode 2, and detailed technical specifications for fire and rescue doors.

4.1 CE Kennzeichnung zu LE/DoP-Nr. S023 BauPvO (EU Nr. 305/2011) EN 14846 (EK-Schlösser Serie FO7000)

Table with CE logo, EN 14846:2008 title, and detailed technical specifications for fire and rescue doors.

Table titled 'Kontrolle gefährlicher Stoffe' with 4.1.29 entry regarding hazardous substances.

5.2 CE Kennzeichnung zu LE/DoP-Nr. S022 BauPvO (EU Nr. 305/2011) EN 1125 (Gegenkästen & Umlenkschlösser Serie FO6000, FO7000)

Table with CE logo, EN 1125:2008 title, Kenncode 2, and detailed technical specifications for fire and rescue doors.

Table with CE logo, EN 179:2008 title, Kenncode 1, and detailed technical specifications for fire and rescue doors.

Table titled 'Kontrolle gefährlicher Stoffe' with 4.1.29 entry regarding hazardous substances.

3.1 CE Kennzeichnung zu LE/DoP-Nr. S024 BauPvO (EU Nr. 305/2011) EN 12209 (Serie FO6000, FO 633N ff.)

Table with CE logo, EN 12209:2003 title, and detailed technical specifications for fire and rescue doors.

- 1.1 CE labelling for LE/DoP-Nr. S020 BauPVo (EU Nr. 305/2011) EN 179 (Series FO6000, EC-Locks Series FO7000)
1.2 CE labelling for LE/DoP-Nr. S020 BauPVo (EU Nr. 305/2011) EN 1125 (Series FO6000, EC-Locks Series FO7000)
2.1 CE labelling for LE/DoP-Nr. S021 BauPVo (EU Nr. 305/2011) EN 179 (Series FO6000)
2.2 CE labelling for LE/DoP-Nr. S021 BauPVo (EU Nr. 305/2011) EN 1125 (Series FO6000)
3.1 CE labelling for LE/DoP-Nr. S024 BauPVo (EU Nr. 305/2011) EN 12209 (Series FO6000, FO633N.F.)
4.1 CE labelling for LE/DoP-Nr. S023 BauPVo (EU Nr. 305/2011) EN 14846 (EC-Locks Series FO7000)
5.1 CE labelling for LE/DoP-Nr. S024 BauPVo (EU Nr. 305/2011) EN 179 (Lock cases & Reverse action locks Series FO6000, FO7000)
5.2 CE labelling for LE/DoP-Nr. S024 BauPVo (EU Nr. 305/2011) EN 1125 (Lock cases & Reverse action locks Series FO6000, FO7000)

1.1 CE labelling for LE/DoP-Nr. S020 BauPVo (EU Nr. 305/2011) EN 179 (Series FO6000, EC-Locks Series FO7000)

Table with CE logo and technical specifications for EN 179:2008 For swing doors in escape routes, ID code 1, emergency exit devices operated by a lever handle for single or double leaf doors for use on escape routes to EN 179:2008.

Table with technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.

1.2 CE labelling for LE/DoP-Nr. S020 BauPVo (EU Nr. 305/2011) EN 1125 (Series FO6000, EC-Locks Series FO7000)

Table with CE logo and technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.

2.1 CE labelling for LE/DoP-Nr. S021 BauPVo (EU Nr. 305/2011) EN 179 (Series FO6000)

Table with CE logo and technical specifications for EN 179:2008 For swing doors in escape routes, ID code 1, emergency exit devices operated by a lever handle for single or double leaf doors for use on escape routes to EN 179:2008.

Table with technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.

2.2 CE labelling for LE/DoP-Nr. S021 BauPVo (EU Nr. 305/2011) EN 1125 (Series FO6000)

Table with CE logo and technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.

4.1 CE labelling for LE/DoP-Nr. S023 BauPVo (EU Nr. 305/2011) EN 14846 (EC-Schlösser Series FO7000)

Table with CE logo and technical specifications for EN 14846:2008 Electromechanical locks on fire protection and smoke protection doors, ID code 2, electromechanical locks to EN 14846:2008.

Table with technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.

Table with technical specifications for Control of hazardous substances, 4.1.29 Hazardous substances, The raw materials and components used do not contain or release any hazardous substances that exceed the maximum limits specified in the existing European material standards or any national legal regulations.

5.2 CE labelling for LE/DoP-Nr. S022 BauPVo (EU Nr. 305/2011) EN 1125 (Lock cases & Reverse action locks Series FO6000, FO7000)

Table with CE logo and technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

Table with technical specifications for EN 1125:2008 For swing doors in escape routes, ID code 2, panic exit devices operated by a horizontal bar for single and double leaf doors for use on escape routes to EN 1125:2008.

3.1 CE labelling for LE/DoP-Nr. S024 BauPVo (EU Nr. 305/2011) EN 12209 (Series FO6000, FO633N.F.)

Table with CE logo and technical specifications for EN 12209:2003 On fire protection and smoke protection doors, ID code 2, locks and building hardware, mechanically-actuated locks and striking plates.
